Sail Training Board Report
June 2016
By Bill Records

Junior Camps are in full swing. week long camps as well as PB&J. New Sailing Director Coleman Terrell has hit the deck running. He has put together the best camp staff that we ever had including Nikki Goodwin, Ben Froelich,Spencer LeGrande, Etienne Denis, Gracie Bulgerin, and Noah Zahm. The kids taking camp are being taught by the best! For PB&J I have adult assistants Charlie Pitkin, Steve Ward, and Cyndy Loseke as well as junior coaches Lucy Brock, Nicole Prado, and Keira Loseke. A lot of the parents have signed their kids up for multiple camps.

The next adult clinic will be the Cruise Clinic on August 13th. This is the third year that we have offered this class. It covers anchoring. motoring sailboats in and out of slips, an other keelboat skills. This years Turnback showed the need for this class!

We are in the process of hiring an assistant junior coach to work with Coleman and will make a decision soon. Our target date is the end of August.

Check the calendar for Harry Polly's ASA classes. Rules for cruise chartering are getting more stringent and various degrees of certification are required.
