- The membership dues and slip fees have all been updated to reflect the increase that was approved at the January board meeting. The next billing will reflect those increases.
- I've been working on keeping the camp and PBJ and Junior Program registrations up to date. The new Junior Sailing Season begins this Saturday.
- I'd like to give probationary member Morgan Ward a HUGE thank you for spending approximately 5 hours with me in the office updating the slip fees and membership dues. This is a very tedious task and she was such a joy to work with.
