

# AUSTIN YACHT CLUB

## 2010 SEISA CHAMPIONS

### LAKE TRAVIS HIGH SCHOOL SAILING TEAM

This weekend the Austin Yacht Club High School/Middle School Sailing Team reached a new level of racing excellence by beating four experienced teams from Texas, Louisiana, and Mississippi to win the South East District of the Inter-scholastic Sailing Association (SEISA). The Lake Travis team has been practicing at AYU for several years and will travel to Greenwich, Connecticut, May 7-9, where they will compete against top high school programs from around the United States.

Since fundraising time is short, the team is soliciting donations to help defray the cost of registration, travel, and hotel. Your tax-deductible contribution can be made to the AYU Fund - please specify the purpose as "2010 Mallory Cup".
