

May 27, 2009

To the Keel Fleet Scoring Committee and PHRF Board Members:

The PHRF Handicap Committee met in an open meeting on May 26, 2009 and considered arguments to review ratings for two boats. Larry Ratliff and Felipe Payet presented these arguments for the J-27 and the Viper 640 respectively. Questions and answers ensued. Non-committee members were then dismissed from the meeting and discussion in the committee followed. It was decided to try and get a copy of the latest PHRF ratings book before the next meeting. (Has AYC paid the dues?) More discussions and possibly decisions on these two boats will follow at the next monthly (closed) meeting.

Three temporary (assigned at Turnback) ratings were also considered. See the table below for the official rating assignments that were made. The PHRF Master (Excel) file was updated with these ratings and is attached.

Applicant	Boat and Sail No.	Assigned Rating	Type
James Osborn	Beneteay 323 Oceanic #90	144	Official
Warren Wittenborn	Starwind 27 #3885	192	Official
