## From The Commodore By Doug Laws

The fall regatta was this past weekend and if you missed it, shame on you. Bob & Jean Goldsmith planned a very special event, that was a huge success. We

even had an appearance by Elvis Saturday night, so it was not your regular regatta. Please express your thanks and appreciation to Bob and Jean and their helpers for a successful regatta that had everything, wind, rain, no wind and finally sunshine. Just a typical Texas October weekend.

You will notice that the October calendar is very busy with plenty of racing, sail training, socials and a Building & Grounds work day. Looks like there is something for everybody, so come out and participate. That's what makes AYC so special. Speaking of the social, we have a Casino Party planned for October 16<sup>th</sup>. This is the first casino party in several years, so come and enjoy. Something special in connection with the Casino Party, we plan to dedicate the new south cove dock and recognize all the workers who helped put it all together. Come early at 6:30 for the ceremony and then open the casino at 7:00.

Please be sure to turn in your nominations for the new AYC Board for 2005

and also names for the Perpetual Awards that are given each year to deserving members. There are seven Perpetual Awards given each year. In addition, there is the Blue Duck award which is nominated and selected at the Annual Banquet. So, keep a sharp eye on sailing activities, make notes, and have your Blue Duck nomination ready for the banquet on December 4<sup>th</sup>.

Finally, just a few items for your information. We have received the final audit report for 2003 activities, and all books, records and finances are in good order. A copy of the report is available in the office if you would like to review comments. The board voted to place a by law change on the agenda for the Annual Membership meeting. This change is to establish a Long Range Planning Committee to advise the board on long term issues. The by law motion and nominees for the 2005 board will be voted on by members at the December 2<sup>nd</sup> Meeting. You will recall that we had planned to implement our new LLC organizations on October 1<sup>st</sup>. There has been a delay because of a sales tax issue, which we hope to have resolved this month. Previously we had been advised that sales tax was not an issue, but now there are questions that need to be approved by the state.

So, you  
might still get  
to win.

As we head into the fall season, we have several matters of importance to consider. First is the remainder of the sailing season. The Fall Series begins on Sunday, Oct 17. We have completed our year's duty for race committee, so our fleet will get to sail all five weekends. We will have both spinnaker and genoa racing, so if you are racing, let me know your particular pleasure. I'm hoping for a big showing by our fleet. Another up-coming event is the annual Wurstfest Regatta on Canyon Lake. It will host the C22 Regional Spinnaker Championship. This should mean a large C22 turnout. It will also be ideal practice for '05 Nationals since it will be held at Canyon Lake next summer. Camping is allowed on the club grounds, or you can drive home in the evenings. In either case, it's inexpensive. I'm going. If anyone else is contemplating the trip, let's talk. We can coordinate plans.

Our fleet is having a good year and has grown. We added several new fleet members. But we can't think "mission accomplished". We lost a great fleet member in Jim Johnstone, who sold his boat. Jim will still be available for crewing, so give him a call if you need help. However, that's one less boat on the line. The fleet needs to continue to look for opportunities to recruit new captains and crew. Also someone needs to consider taking over the fleet as Captain for next year. I've enjoyed my time and would be glad to continue to help. However, it's time for a new leader. Let me know if you would be willing to serve. Generally we need to start thinking about our plans for next year.

Finally, another matter to contemplate is your boat. I've heard talk from several members about upgrades. Bruce Foster is getting a new genoa. I'm repairing scrapes on the bottom and keel. Mark Tremeyer talks of sails and mast work. Let me know your plans. I'll do a more detailed write up on this issue, but you should begin your planning now. It's the truth, if you don't get your boat faster, you'll be slowing down compared to the fleet.

Cool weather is here. No more excuses. Come out for the Fall Series and enjoy racing with the fleet.

### Austin J/24s Make a Big Showing at Last Month's J/24 Circuit Stop in Dallas

Austin J/24s made up a third of the 15 boat fleet at the most recent J/24 circuit stop which was hosted at Rush Creek Yacht Club September 11th & 12th. The very light air regatta (only 3 races could be pulled off all weekend) ended with 2 Austin boats in the top 5; Roger Harden's team coming in first and **mr. happy** holding on to fourth. Dave Gamble's **OOH AAH!** crew finished in front of Tony Slowik's **Yikes!** team with Dave Broadway's **Superman** rounding out the traveling Austin fleet. With Roger's first place finish the scores for the overall circuit champion has really tightened up. The next stop, in Grapevine, is coming up on the 23rd & 24th of this month and will be crunch time for all the teams still in the hunt for the top position. You can checkout all the circuit scores at <http://home.austin.rr.com/j24district14/>.

### J/24's Run Series Race Committee

Our Fleet Captain, Stephen Burke, successfully pulled off his first AYC Series RC as PRO last month. From all the reports I heard it went off without a hitch. The fleet really rallied also with enough people volunteering such that all the people present were more than was needed! Thanks go out from the rest of the fleet to Stephen, Neil Graham, Tony Slowik, Ryan Harden, Amy Davidson, Mary Volpe, Pam Wilson, Nelson Reynolds, Curtis Tarpley, Robin Drummond and Chris Reynolds.

### Dog Days Series Report

Ryan Harden's **Running on Empty** team pushed Dave Broadway's **Superman** crew off the AYC Series winner's podium for a change to mix up the long running series pecking order this last series. And to add even more change, Bill Smith on **Box Lunch** finished second overall...Bill certainly has made a nice splash with his return from a long time absence in the J/24 fleet! The **Superman** team held on to third but only by breaking a tie breaker with Stephen Burke's **Out of Control** gang. Dave Gamble's **OOH AAH!** and Hap McCollum's **Bon Temps** (with guest driver Eric Nelson) made cameo appearances during the series to round out the 6 J/24s that raced during the series. Hopefully we will be seeing more J/24s out in the Fall Series, when we switch back to Sunday afternoon starts. Be there!

### Chilly Chili Social Coming Up

Speaking of Fall Series, the fleet will be having the traditional opening series racing weekend social on October

17th. Amy Davidson will be doing the chili cooking for all of us and the fleet will be also providing the fixin's and drinks. There will also be some vegetarian chili courtesy of Robbie Nelson. Plan on bringing a side dish that goes along with the most likely cooler weather. With a 1:30pm series start, the party will get going around 4:30 or so...plan on coming out whether you are racing or not (hopefully we will see you on the water though!). Also Stephen is planning on previewing the Fleet Championship scoring to date at that time...you all that crew may have some leverage on the various skipper's you have crewed for to see which one will get your points, come out and put the pressure on!

*mr. happy in downtown Manhattan traffic heading home to big sky country from the J/24 Worlds*

### Austin J/24s Return from the Worlds

If you kept up at all with the J/24 Worlds standings during last week's racing you already know what a tough time the fleet had in general and the two Austin boats had in particular! Lot's of 3 knot winds in 2 knot currents plus a tropical storm low pressure area mixed things up for the well prepared and experienced 70+ boat fleet and really took its toll. But the local crews still had some good experiences that I will leave up to them to decide if/how to tell!...look for Roger Harden, Kurt Carson, Tommy Gairloff, Ravi Subramanian, Bob Harden, Eric Nelson and Tom Lappin around the club to hear about them. Pictures and final results are posted at <http://www.j24worlds.com/>.

## AYC Membership Report

### New Associate Member

Chris Bataille began her sailing at AYC in 1972 when she attended junior camp – and she has the pictures to prove it. Family and career caused her to take a number of years off, but she has been very active the last 3 years at Lake Travis and elsewhere on Hobie cats South Coasts and Sunfish racing with John Kuc and others. Welcome aboard. Chris.

### Young Adult Membership

Jeremy Frank is the first person to join under the new Young Adult classification adopted last month. Jeremy is the roommate of member Roy Paterson, and has already been sailing a Laser on Wednesday nights. Jeremy has experience sailing in the Chesapeake and on Lake Hefner in Oklahoma City, but is new to racing. What he may lack in experience, he makes up in enthusiasm.

### Senior Probationary Reviews

Chris Thompson and Vicki Gammon were re-

viewed for Senior status. They met the 12 event minimum racing, and Chris has been very active on the new dock construction project as well as doing race committee and other volunteer activities

Robert and Sharon Agee have become much more active in racing since joining AYC, and Sharon has been taking classes. They also enjoying sailing Tryst in the Bahamas, and are planning to trailer her to Florida as soon as hurricane season is over and spend several months cruising there. Bon Voyage!

### Resignation

Eric Stough and Robert Kinney resigned this month.

### Change of Status

Senior member Billy Eno notified the office of his eligibility for Young Adult Membership and his status was changed. This is a reminder to all senior members under 30 years of age. Stop by the office with your driver's license, and we'll record the data, and adjust your dues to the Young Adult dues level of \$40 per month.

## C Fleet News By Bob Perry

During the Dog Days Series, Jim and Werner didn't sink their boat so Henrickson got the first place trophy, but just barely. Bob Goldsmith and Jeane beat them the first two races but Jim and Werner got first place in the last two. The final scores were only two points apart.

Bob and Missy Gallant also fought it out with Billy Eno for third place. Their final scores were 20 and

23. David Durocher and Chaviess along with Doug Laws and Deke Dekeyser wisely avoided the heat and were not in the running.

Now that the weather has cooled off, we should have some great sailing days in the Fall Series. It will begin on October 17th which is a Sunday, and run on consecutive Sundays until November 14th. The starting time will once again be at 1:30 P.M.

At this writing, we don't know how the Fall Regatta turned out on the first weekend of October, but hope you all had fun. Keel Fleet is sponsoring the Double Handed Race on October 30th, and, of course, we have the Wild Turkey to look forward to in November.

## Commodore...(continued from page 1)

Series racing goes back to Sunday afternoons starting October 17<sup>th</sup>. This will be the final series for the year. Wall Plaques for new winners of this series and the Dog Day Series, will be ordered after the final race on November 14<sup>th</sup>.

Please turn in your nominations and see you at the party and on the lake.

**Did You Know?** "How many times have you heard that a sail gives lift to drive a boat because, "the air travels faster on the lee side for it has farther to go than it does on the windward side. So the pressures are different and you get lift". Well, that is wrong! Even a perfectly flat thin airfoil with the same distance on both sides has lift when it is at an angle to the wind. It is true that the pressures over much of the lee side of a sail are lower than the freestream pressure, and the pressures on the windward side are higher. These pressure differences do result from the air flowing faster on the lee side and slower on the windward side (Bernoulli's principle). But, what causes the air to flow in this manner? The total region around the airfoil adjusts itself so that the air flowing off the two sides of the airfoil at the leech has the same speeds and pressures. This fact of aerodynamics is known as the Kutta condition. It is an important principle to remember, for it influences the entire flow field about the sail. " - from Arvel Gentry's article, "How A Sail Gives Lift", published in *The Best Of Sail Trim*.

## Ensign Fleet News By Thomas Groll

Hello Ensign Sailors!

You are hopefully aware by now that the Region IV Championship Regatta was held at the AYC June 2-5. We had a great turnout and great racing with lots of out of town competitors. Once again, the trophy went to Dean Snider. When will we ever get the cup from him?! We'll

just have to rename the trophy as the Dean Snider award...

From Colorado came the Keesling Brothers<sup>2</sup>, and from Houston, the Sniders, Fast Eddie Bluestein, and the always dangerous Baxters. We'll also had the Duricas' from Florida, and old time yacht club lackey Harold Neal all the way from New Zealand! We had the good fortune of having Vic Manning as the PRO and he did a fantastic job. Thanks Vic!

There's still time to come out and race the Fall series races. By the time you read this, the Summer Series will be behind us. And there's more Ensigns coming to the starting line. Recently Robin Drummond purchased Ensign #716 and we look forward to seeing her and her family on the race course. Tim McKenna purchased #982 and is the process of getting her ready for racing. We also have a new member, Randolph (Rambo) Bertin that is very actively seeking an Ensign to purchase. Looks like we're finally getting back to a good size fleet, so all of you that have boats already need to out and race. There's lots of opportunity to come out for great racing and enjoy the comforts of Ensign sailing.

See you on the water.

## Race Officer Training & Certification Program

### Basic Race Management Seminar & Test

November 13 & 14, 2004

Austin Yacht Club, 5906 Beacon Drive, Austin, TX  
78734-1428

The US SAILING Race Management Committee and the Austin Yacht Club are sponsoring this seminar. It is designed for people who have some race committee experience. However, newcomers are also welcome. It will be held at the Austin Yacht Club beginning at 0800 on Saturday, November 13, 2004.

The topics covered include: RC objectives, competition formats, sailing instructions, RC jobs, RC equipment, race day preparations, setting the course, starts, during the race, finishing, post-race RC responsibilities and scoring.

The principal instructor for the seminar is Jim Tichenor, a US Sailing National Race Officer. Jim is also the Area Race Officer for US SAILING Area F. Ned VanMaanen, a Certified Club Race Officer, and Brad Davis, a Certified National Race Officer, will assist.

At the seminar you will need your own copy of *The Racing Rules of Sailing* ("RRS"), and you will be asked to purchase a copy of *Join the Race Committee Team* for \$7.50. The seminar study questions are on the US SAILING web site ([www.ussailing.org/racemgt/Race\\_Officer\\_Prog/Documents/RMStudy-Basic.pdf](http://www.ussailing.org/racemgt/Race_Officer_Prog/Documents/RMStudy-Basic.pdf)). Please bring your completed study questions to the seminar.

The Club Race Officer certification test, which is given at the conclusion of the seminar, is optional. However, in order to be certified in the US Sailing Race Officer Program, you are required to attend a complete basic seminar and pass the test. In order to be certified as a Club Race Officer you will also need to have your own copy of the current US Sailing *Race Management Handbook*, and meet the program's other criteria.

The workshop fee (\$25.00) includes: continental breakfasts, lunches and all workshop materials. A registration form is enclosed. **Advance registration is required, and the number of participants is limited to 30. The deadline for advance registrations is November 7, 2004.**

# J/22 Southwest Circuit Regatta

## Notice of Race J/22 Southwest Circuit, October 9-10, 2004 Austin Yacht Club, Austin TX

The Austin Yacht Club and J/22 Fleet 11 cordially invite you to attend the 2004 J/22 Southwest Circuit Regatta to be held October 9-10, 2004. This is a five-race regatta for J/22s and is part of the J/22 Southwest Circuit.

**Rules:** The regatta will be governed by the rules as defined by the 2001-2004 Racing Rules of Sailing (RRS) and will be a Category C event per Appendix 1 of the RRS. The same crew and the same three class sails must be used during the entire regatta. Substitutions can only be made with the written approval of the Jury. Boats (including rudders) may not be removed from the water during the regatta without the approval of the Jury. Sailing instructions will be distributed at registration.

**Eligibility:** J/22 Class yachts in compliance with class rules will be scored. For purposes of counting in the Southwest District Circuit, boats must have a current measurement certificate. Skippers/Owners must show current J/22 Class cards and USSA membership cards to be eligible to race.

**Location:** The regatta will be held Austin Yacht Club, 5906 Beacon Drive, Austin, Texas 78734, (512) 266-1336. [www.austinyachtclub.org](http://www.austinyachtclub.org).

**Fees:** Pre-registration fee is \$75 for entries received on or before October 2nd. After that, the entry fee is \$85. Online registration is available on the SW District website at [www.j22southwest.org](http://www.j22southwest.org). All registration fees are payable prior to the end of registration on Saturday, October 9, 2004. Entry fee includes breakfast each morning, 3 lunches on Saturday, 3 suppers on Saturday night, snacks and beer, a giant crane to pull boats out on Sunday and a guaranteed good time.

**Scoring:** The Low-Point Scoring System, Appendix A of the RRS, will apply, with five races scheduled of which two shall be completed to constitute a series. No races will be discarded.

**Trophies:** Trophies will be awarded for the top 5 finishers.

**Inspection & Measurements:** All participants are subject to inspection and measurement at any time during the regatta. The Race Committee may, at its discretion, inspect any yacht in order to confirm compliance with the prescribed class rules concerning construction and measurements, safety rules when racing, crew prohibition and restrictions when racing. Class royalty tags must be present on all sails.

### Schedule:

Friday Oct 8, 2004	6:00PM to 8:00PM	Registration
Saturday Oct 9, 2004	8:00AM to 9:00AM	Registration
	9:30AM	Skippers Meeting
	10:30AM	First Signal, Race 1. Races 2 and 3 to follow
Sunday Oct 10, 2004	9:30AM	First Signal - A Preparatory signal will not be made after 12:00PM on Sunday

### Accommodations:

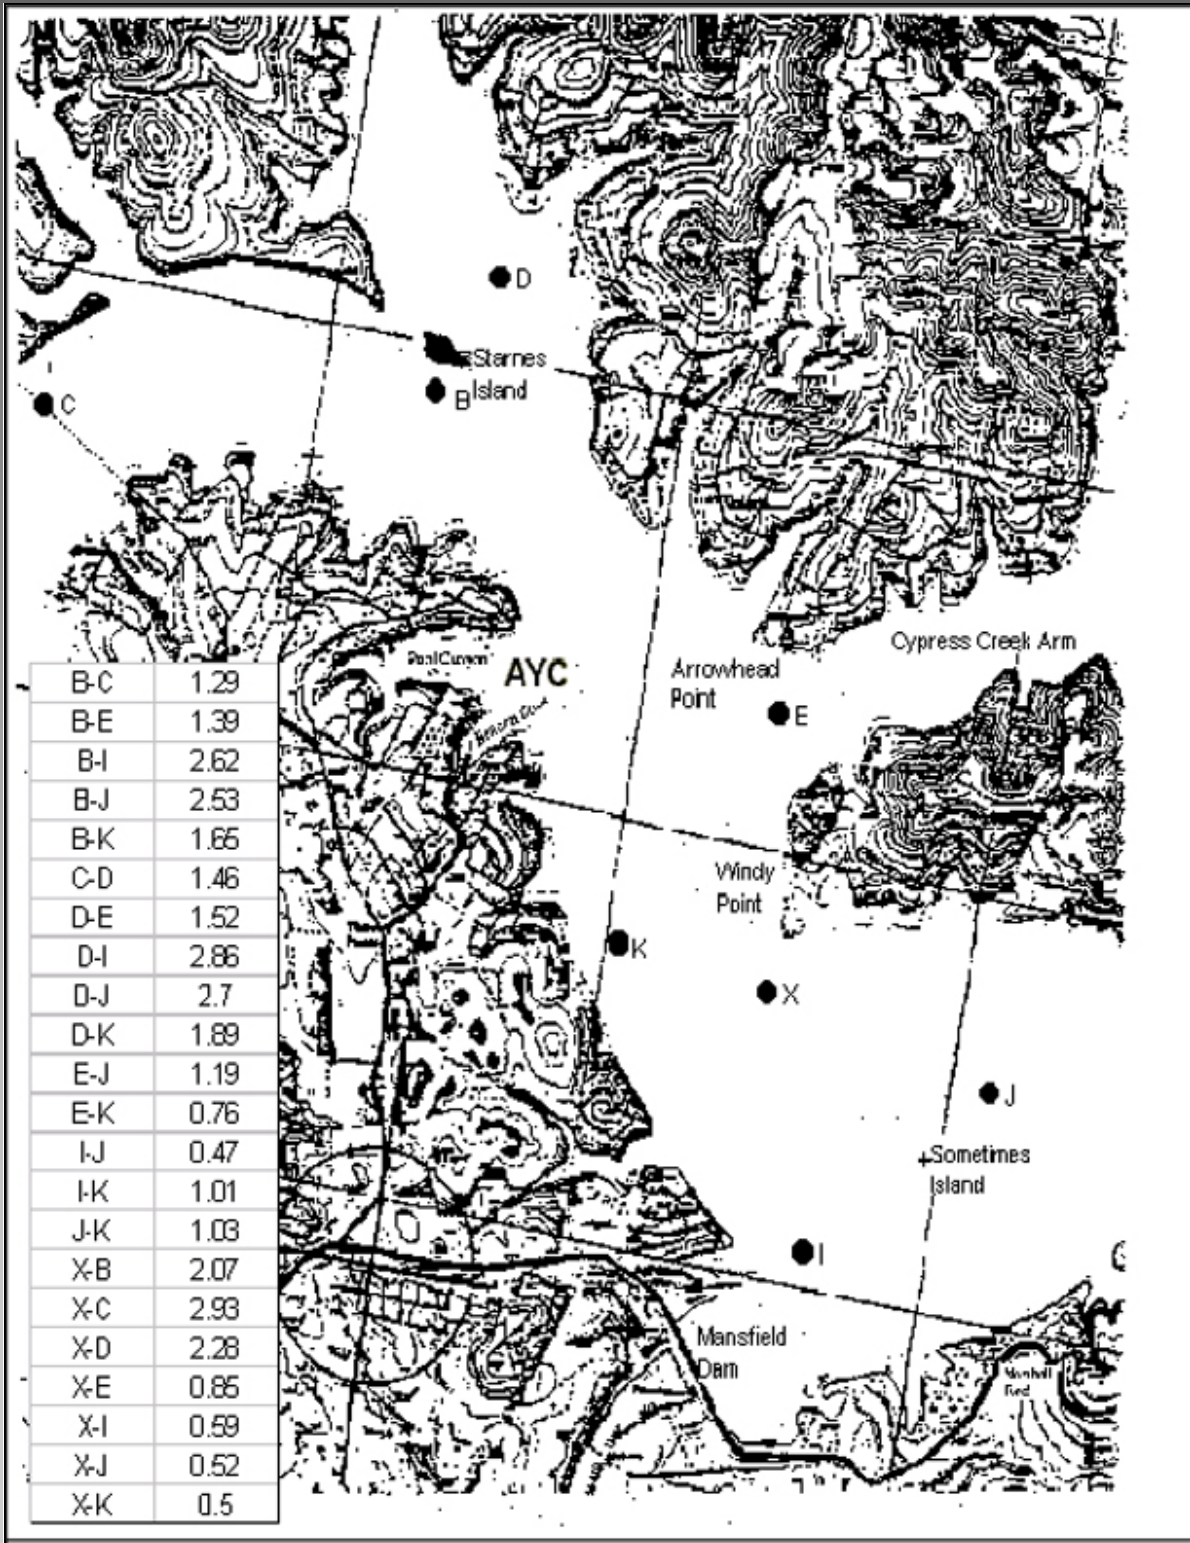

Camping is available and encouraged on our 34 acres of land on beautiful Lake Travis. Showers and restrooms are available to all regatta participants and guests. Some cabins and screened shelters are available for rent on a first come basis. Please contact the AYC office at 266-1336 for cabin rentals. Note that AYC has a no pets policy.

**Other lodging:** (10 mile radius of AYC) Lakeway Inn, (\$\$\$\$) 512 261-6600; Vintage Villas (\$\$\$\$) 512 266-9333; Mountain Star Lodge (\$\$\$) 512 261-2010; La Villa Vista B & B (\$\$\$\$) 512 266-0966; Robin Nest B & B (\$\$\$\$) 512 266-3413. **Directions:** The Austin Yacht Club is located on beautiful Lake Travis at 5906 Beacon Drive. Lake Travis is on the west side of Austin. From any direction, find RR 620 and follow it towards the lake (see map.) Near the lake's dam, you will find a traffic light at Hudson Bend Rd. On that corner is an E-Z Mart convenience store that has a large "Exxon" sign. Turn onto Hudson Bend Rd. (only one way to go.) Follow the road for about 1 mile and you will see a "Diamond Shamrock" sign at the Hudson Bend Grocery Store on the corner of Beacon Dr. Turn right (the only way you can turn) onto Beacon Dr. and follow it to the end to the Austin Yacht Club.
