

We hope everyone faired the Storm on Sunday, October 3 in good shape. All of our sailors are busily making repairs and getting ready for the last race of the Fall Series. A number of articles were found floating and blowing around and have been put in the lost and found for the owners. Found were centerboards, ski belts, life vests, spinnakers, towels, shoes, shirts, thermos, cushions, and etc. If you are missing something please stop by and check the lost and found on the Porch of the Storage House.

The Halloween Ship Wreck Party will be held at the club on October 29. Enclosed is all the information you will need for an enjoyable evening. Everyone turn out and make this event a real success.

There will be a Special Board Meeting to continue House and Harbor rules consideration at 7:00 p.m. on October 11 at the club house. This meeting will also include Managers Duties and Cabin Rental Survey.

We now have a snack machine in the club house. Unfortunately the first week it was in operation the ring tops from cans were put in the coin slot and the machine was out of order, and many of our members were disappointed to find out they couldn't fill that hungry spot. Please help us take care of our vending machines and do away with unnecessary repair bills.
