

# TELL TALE

AUGUST, 1972

AUSTIN YACHT CLUB

RESCUE! The club maintains a rescue boat for use during races and regattas and for use as it may be needed to rescue a person or boat. The boat is under the supervision of the Fleet Captain and maintained by Duane Dobson. Any member may operate the rescue boat during an emergency. It is not the duty of Mr. Norton to operate the rescue boat, he only keeps the key. When an emergency arises, you can most often find someone on the grounds who can operate the boat, or call the Hudson Bend Volunteer Fire Department and they will send volunteers immediately, or call the Sheriff's Department. During the warmer months, if a person has a life vest on, he is not in danger if he stays with his boat. Of course, during the cold months, the length of time in the water is a matter of great concern. CAN YOU OPERATE THE CLUB OWNED POWER BOATS? Mr. Duane Dobson has offered to give instructions in operation of the committee and rescue boats on Sunday, August 20 at 1:00 P.M. and Saturday, August 26 and Sunday, August 27 at 1:00 P.M. beginning on Dock 1, slip 8 and proceeding to Dock 5, slip 20. This will only take a few minutes of your time and may save a life.

HOBIE FLEET 64: That's right! A new Hobie Cat Fleet is forming and completing necessary chartering requirements for Fleet designation. Elected officers are: Commodore, Ted Sousares; Vice-Commodore, William Bodden; and Secretary, Mrs. Barbara Thompson. If you own a Hobie Cat and have not been contacted by anyone please call any of the officers listed.

JULY BOARD MEETING: A Board Meeting was held on July 18, 1972 in the clubhouse. Two new Harbor Rules were adopted:

1. If a wet slip remains unused for an extended period of time, the Board of Directors may require the slip occupant to justify his non-use and the Board shall have the power to replace the occupant, giving him priority on the waiting list.
2. Boats stored on the club premises must be entirely owned by an AYC member or members; otherwise the boat must be removed from the premises.

Sixteen new members were accepted and they are listed below. Welcome to all!

BOARD MEETING: There will be a Board Meeting on Tuesday, August 22, at 7:00 P.M. in the clubhouse. The members are invited.

REGATTA FLYERS: Regatta flyers from the various clubs are received at the club and posted on the club bulletin board for all members to gather what information they may need. Please do not take a flyer from the bulletin board (unless additional are available) and deny other members the information they need.

HARBOR RULE # 10: "All boat trailers of AYC members shall have the letters "AYC and the name of the owner, viz., "AYC WHITE", affixed to both sides of the trailer tongue. An adequate area on the tongue sides shall be painted white as a background for letters in orange of a minimum height of 1-1/2 inches. All boat cradles stored on club property shall have a similar identification affixed in a prominent location. Any of the foregoing not so identified shall be subject to impoundment and an assessment of one dollar (\$1.00) per day. The purpose of this rule is to minimize trespassing, thefts, and unauthorized use of drysail spaces." If we were having a contest, the new members would win hands down. Please identify your trailer or cradle.
