

**University of Texas Sailing Team
Report for July 2016**

Our primary activities this summer have been in recruiting new members for the fall semester. We are looking forward to resuming our normal activities and schedule come August.

As of now, our only new business is the two FURs for events in the fall. The first is for Saturday, September 20th for the UTST Alumni Regatta. The second is for the weekend of October 22nd – 23rd for the annual Kathryn Hammond Memorial Coed Interconference Regatta.

Thank you.
