

## 2017 RoadRunner Regatta Report

By all accounts, the 2017 RoadRunner was a success. We had 102 junior sailors sailing on three lines and received nothing but compliments and thanks for the running of the races. A huge thanks to Vic Manning, Barry Bowden, and Jim Casto for making that happen. The weather cooperated superbly - it was two of the best sailing days the TSA Junior Circuit has seen in many months. AYC volunteers turned out in their usual form to show our visitors wonderful hospitality and we'd like to thank Markus and Constanze Heitkoetter in leading that effort.

We'd also like to thank Molly, Wade, and Bill for being on hand to help navigate any issues that came up. They were incredibly supportive and we are very appreciative.
