7 SAILING INSTRUCTIONS – Separate Sailing Instructions will be provided for Saturday and Sunday races, and will be available online on the AYC website prior to the start of the Competitor's Briefing, as well as in the bins next to the Official Notice Board located on the lower level of the AYC clubhouse on the northeast-facing wall.

8 VENUE – The intended racing area is Lake Travis, Hudson Bend using fixed and temporary marks.

9 COURSES – Courses will be either long distance (LD) using the **2021 “Long Distance Course Card”** or round the buoy (RTB) courses.

10 SCORING

10.1 Each boat will be scored using her sail number, which must be unique within her class. A boat will be scored in only one class for the entire series – the class that the boat first designates in the series. This restriction on scoring will also apply to designation of spinnaker or non-spinnaker for boats in PHRF fleets.

10.2 Scoring for handicap fleets will be as follows:

10.2.1 The PRF-A and PRF-B fleets will be scored using the “Time on Time” variant of the PHRF rating system in accordance with current PHRF handicap values.

10.2.2 The Catamarans will be scored using SCHRS (Small Catamaran Handicap Rating System).

10.2.3 The Centerboard/dinghy boats will be scored using US Sailing Portsmouth Yardstick (Non Wind-Adjusted).

10.2.4 The Trimarans will be scored using the “Time on Time” variant of the PHRF rating system using the PHRF handicaps (TOMA “W/L”) maintained by the Multihull Fleet.

10.3 The Low Point scoring system of Appendix A of the RRS will be used with the following modifications:

10.3.1 Boats will be allowed to race on days in which her Fleet has RC Duty. Boats assigned to serve on RC will receive an average of their scores in the series, as follows:

(a) The average will be as calculated per Appendix A, Section A9, Paragraph (a) and will include only races where said boat participated, excluding DNC.

(b) A boat may receive average points for more than one race date during the series.

10.3.2 RRS A5 will apply with the following modifications:

(a) A boat that did not come to the starting area (DNC) shall be scored two points more than the number of boats that came to the starting area.

(b) A boat that raced, but was disqualified (DSQ), shall be scored two points more than the number of boats that came to the starting area.

(c) All other scores (DNF, RET, DNS, OCS) shall be scored one point more than the number of boats that came to the starting area.

10.3.3 RRS A5 is further modified for “out of town” racing credit as follows:

- (a) If a boat is unable to come to the starting area due to racing in another location, individual fleets at AYC may request that traveling boats be given “out-of-town” racing credit and be scored DNS instead of DNC.
- (b) In order to receive the “out-of-town” racing credit, the Fleet Captain of fleets who desire to be scored this way shall send an email stating this to race_commander@austinyachtclub.net.
- (c) In order to receive the “out-of-town” racing credit for a particular AYC series race, the AYC member shall send an email including the “out-of-town” event details to scoring@austinyachtclub.net. This request must be received prior to the start of the scheduled AYC series race.

10.3.4 RRS A2 is modified for excluded scores as follows:

- (a) When fewer than 4 races have been completed, no scores will be excluded.
- (b) When 4 to 6 races have been completed by a class, a boat’s series score will be the total of her race scores excluding her worst score.
- (c) When 7 to 10 races have been completed by a class, a boat’s two worst scores will be excluded.
- (d) When 11 to 13 races have been completed by a class, a boat’s three worst scores will be excluded.
- (e) If 14 or more races are completed by a class, a boat’s four worst scores will be excluded.

11 RADIO COMMUNICATION – It is required that each boat monitor VHF channel 78A for RC announcements during the race. For safety situations boats may contact the RC on VHF channel 78A. Otherwise, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones.

12 PRIZES – Trophies will be awarded to owner based upon the average class attendance for all scheduled races not abandoned by the RC as follows:

- ❖ ≥ 2 participants average: 1 trophy
- ❖ ≥ 4 participants average: 2 trophies
- ❖ ≥ 7 participants average: 3 trophies

13 ASSUMPTION OF RISK AND RELEASE OF LIABILITY – By participating in the Series, each boat owner, skipper and crew agree to sail and use the Austin Yacht Club facilities at his or her own risk. To the fullest extent permitted under Texas law, each boat owner, skipper and crew unconditionally and irrevocably releases and discharges the Austin Yacht Club, its Officers, Board of Directors, agents, and all other persons who assist in maintaining equipment or in organizing and/or conducting races, from all claims and legal liability for personal injury, death or property damage incurred in connection with the event.

14 ADDITIONAL INFORMATION – For additional information contact AYC at 512-266-1336, email race_commander@austinyachtclub.net, or visit www.austinyachtclub.net. No pets, fires, fireworks or drones are permitted on AYC property.
