Activities to be held:

AYC Racing School for Frostbite Series

This will be the typical AYC Racing School session prior to the Frostbite Series. In addition to the clubhouse I typically use the projector, screen, sound system, fan, and whiteboard to teach the class. The students show up at 9 am but I like to get to the clubhouse at 8 am so I have time to set everything up. Therefore I set the "Start Time" at 8 am on this FUR. The students go sailing starting around 10 am, but I set the "End Time" on this FUR to 11 am so that I have time to clean up afterwards. Typically the Social Committee has already arrived by this time and they are already prepping food and that is OK.

Typical schedule is as follows:

0800 - 0900: Set up clubhouse

0900 - 1000: Classroom session at clubhouse

1000 - 1230: Sailing

The dates on this FUR show only Jan 21 as the "Start Date" and the "End Date" but we will hold classes prior to each of the Frostbite Series dates as follows:

Frostbite #1: 2017-01-14

Frostbite #2: 2017-01-21

Frostbite #3: 2017-01-28

Frostbite #4: 2017-02-04

Frostbite #5: 2017-02-11

Regarding the gate hours, Tom Cunningham has programmed the gate during previous AYC Racing School dates and that has worked very well.

Regarding number of boats and number of guests, we typically have about 5 volunteer skippers and 5 assistant instructors, and between 20 and 30 students. The max we have had is 52 students during one session last year.

Number of AYC Members Attending: 10

Number of Non-Members Attending: 30

Total Boats: 5 Non-AYC Boats: 0

Event Conflicts: The US Sailing Level 1 course is the same day but they are scheduled to use the Sail Training Cabin and not the clubhouse. I don't know if Steve Gay is planning to use the projector or not, so I will bring my own personal projector just in case so there is no conflict.

Gate Open: Yes

Member Fee: Non-Member Fee:

Classes Of Boats:

Club Facilities Required:

Clubhouse

Additional Comments:

End of submitted FUR.
