Activities to be held:

Each night will be one of: Board games, group games, sailing stories/skills/shanties, trivia, movies, poker, bingo, a night closer to Austin, and sailing to a restaurant for dinner.

The goal is to provide a fun night for members (and their family & friends) to have some fun at the club during months when we don't have Beer Can racing. Most nights will be kid friendly, and they'll be specified as kid friendly or not for each event.

Some members aren't able to get out on the water these days, so this also provides a time for them to see old friends and enjoy the club.

Sailing will be encouraged if the weather is good, and people feel comfortable sailing at night (which is what MoonBurn has been building the last 4 years).

Regardless if we are in the club or on the water, the goal of these nights is to build community and meet people that don't crew with you, sail in the same fleet, or haven't made it out sailing lately.

Initial time period is through January (excluding the holiday period). Submit another FUR at a later time to renew up until Beer Can's start again, if there's enough demand.

List of dates: Oct 18, Oct 25, Nov 1, 8, 15, 22. Jan 3, 10, 17, 24, 31.
