
From the AYC General Manager
Jackie Wheeless gm@austinyachtclub.net

The Employee medical and dental insurance renewal was rather painless. We've agreed to renew our medical with Blue Cross Blue Shield with a **5.6% renewal rate increase** (a total monthly premium of **\$2,208.98**). We renewed our dental with Dental Select with a 4% increase (a total monthly premium of \$234.97). October 1 is the renewal date.

The Annual Membership meeting is scheduled for Thursday, November 19th so notices and proxies will be getting sent out by October 19th.

I'll be taking this weekend off. Bobby and Spencer will be presenting the webinar on Saturday and then will be out and about on the grounds throughout the weekend.

Please remember that the Work Area is AYC's designated area for washing your boat (so that the water can be contained). Please do not wash your boat in any other area on AYC grounds. Make sure that only environmentally friendly products are used during washing procedures.

The deadline to submit your 2020 Special Service Award Nominations is October 15th!!

The dumpsters are filling up again with "personal" garbage. Please remember that the AYC dumpsters are for AYC garbage and not for personal garbage disposal.

There are a few of the trimarans being parked backwards and driving over the grass behind their dry spaces. There is a pathway being created from the dry storage area to the roadway at the gate. Please do not drive over the grassy areas, use the pavement to move your boats around.

There's also someone (or several "someones") driving over the grass **to avoid the speed bumps** on the main entry road. **Please do not drive on the grass!**
