Activities to be held:

Approved by the Keel Handicap Fleet Board, and all funding will be within Hashing and KHF (\$5 is the usual cost for a Hash).

Hashing is the world's biggest running/walking club. James is chairing the event on 12/3 for the Austin Hash House Harriers (aka AH3). Hashers generally range in age from 23 to 80, with the majority of AH3 being in their 30's to 50's.

We are using this event as a fun way to introduce active people that enjoy beer to sailing. In floating the idea out to other members, there is a lot of interest in joining it and taking their boats out for a sunset/full moon sail (sunset 17:30, sunrise 17:59pm).

Event overview:

- + The event will start in the area of the south end of Hudson Bend Rd (Venado Dr)
- + A Run/Walk trail will be set to take Hashers around various areas of Hudson Bend, including a beer stop at Infamous Brewery.
- + The group is expected to arrive intermittently at AYC around 15-16:00.
(at least 1 member and up to 3 guests will be onsite to prep for burgers beforehand)
- + There will be a circle of people and songs will be sang (patio area next to the picnic tables if not raining. If raining, we will be under the clubhouse)
- + After the circle roughly half of the group will leave, and half will go out for a sail.
- + There will be cars going from AYC (finishing point) back to Venado Dr (starting point) so people can get their cars.
