

From the office of the AYCC Race Commander

Race Logistics

The Late summer Series is complete with a total count of 50 boats competing. This is a 20% increase from 2016 and the exact same amount of boats from 2015. Unfortunately the trophies and the Race Commander was not available to hand out awards for the End of Series. Awards will be available after the first race of the Fall Series.

Permanent Race Committee

The PRC Representatives for the Late Summer Series are Bill Records and Dane Ohe. The PRC Rep is responsible to effectively communicate to the Series PRO. Items discussed are scoring, sailing instructions, equipment review and planning for each Series racing.

An addition to the scoring team is greatly appreciated by Ed Pierce.

RC Equipment Review

Buoy Mark B is low in the water and probably damaged and full of water. A new replacement will be purchased while trying to fix the old mark.

New purchase of two fuels tanks and extra caps along with new dock lines was suggested.

This is an activity report of an individual board member and does not represent the official position of the Austin Yacht Club or its Board of Directors.
